**Wed 11 Aug - English 1 (Grade 3 - 7)**
**Thurs 12 Aug - Mathematics 2 (Grade 4 -7)**

## Return to Competitive Sport

The DBE has announced that we can return to competitive sport with protocols in place. This announcement was not expected, and most schools are therefore not prepared for this. We will be commencing with inter school fixtures as soon as these can be arranged with other schools. It is good news for our children, most of whom have missed out on participating in matches for well over a year now. Unfortunately, no spectators are permitted at this stage. We will communicate as soon as we have more information on fixtures and which schools are available for matches.

## Vision and Mission

The staff met last Friday afternoon to contribute to the shaping of the new vision and mission for our school. I was very encouraged by the input from the staff and look forward to sharing more once the process is concluded. The need to integrate more critical thinking into our curriculum was highlighted and will receive due attention. It was also very evident that one of our most important attributes, that of being a family community, has been severely affected by COVID. We are so looking forward to being able to interact more normally with parents on campus again and we hope that this will be possible soon. I will be discussing our vision and mission with the learners in Grade 6 and 7 in Thinking classes this week to gain their insight. It will be interesting to see how their sentiments converge with those of the staff.
The statements will be shared with our school community once formally accepted by the SGB.

## Chris Storey – Principal

## Choir

We are very excited to be starting our choirs again next week.
Everyone is welcome to come and join us in the morning for some singing. Choir is free for all to join.
Prep Campus: Wednesday at 7:40am in the Grade R hall
(please get screened at your usual gate first then you will be taken over)
Primary Campus: Thursday at 7:40am in the school hall

## Conquesta

A reminder that the children who have entered the Conquesta will be writing on the following days next week:

Tues 10 Aug - Mathematics 1 (Grade 3 - 7)
Wed 11 Aug - English 1 (Grade 3 - 7)
Thurs 12 Aug - Mathematics 2 (Grade 4 -7)

It is estimated that each paper should take 1 - 1 1/2hrs and the children can leave once they are finished. Please note that the Maths 2 paper has moved to Thursday after school and the Grade 7s will be writing the General Knowledge paper on Friday during school. Should you have any queries in this regard, kindly contact Mrs Lumley on library@campsbayprimary.co.za

## Grade 3 Movie Premier and Civvies Day

Friday 6th August the whole school is going to be watching the Grade 3 Movie and as a bonus you can wear Olympic sport themed civvies to school for the low price of R10. This can be paid on the Karri app or in cash on the day.

## Request from the Grade 3s

The grade 3s are looking for age appropriate book donations as readers. Any good condition, age 7-11 reading books your children are no longer using. Please send to school with your child if you are able to assist.

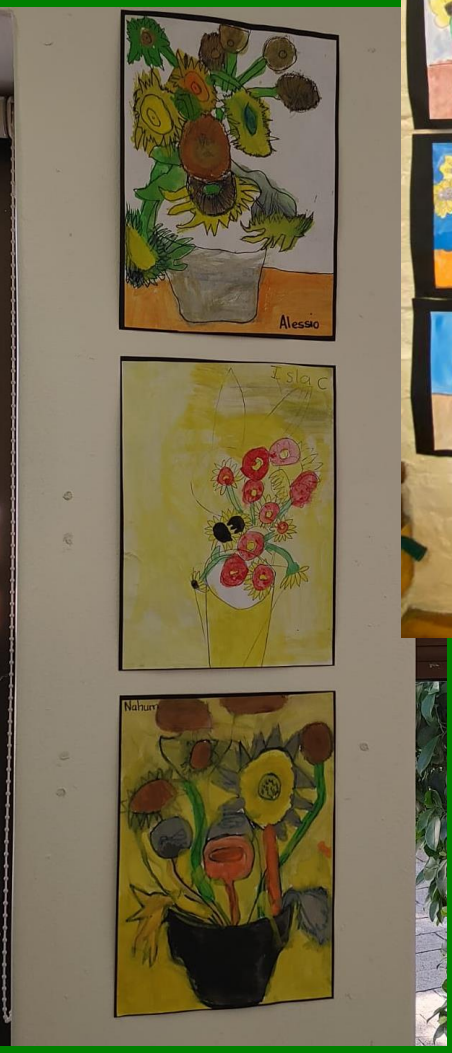
## Message from the High School uniform shop

The Uniform Shop at the High School will be temporarily closed till next week Friday, 13 August 2021 due to COVID. If any families urgently need something, please contact Carol van der Spuy, the high school Marketing Manager, on 076 359 3286 or cvanderspuy@campsbayhigh.co.za and she will make an arrangement to open up especially for you.

# GRADE R
# are learning about Water/Water pollution

# GRADE 2

## Sunflower painting based on the artwork of Vincent Van Gogh



# We loved making clay animals in art
