Dear Parent(s)/Guardian(s):

THREE WEEKS TO EXAMS: Grades 4 to 7

Please we all need to stay academically focused in the next few weeks as there are now only three weeks to the midyear examinations. Children need to draw up a study timetable and make a start to studying for these important examinations. *Grade 4s will be writing exams (tests) for the first time but please parents of grade 4 do not stress children unnecessarily by placing too much pressure on your child for these mini-exams/tests. Please remain calm and give your child moral support in a relaxed manner. The grade 4 teachers will be providing support and guidance to the children in grade 4 to prepare adequately for the forthcoming exams/tests.*
