

SGB Elections – We need you to get involved!

It is important for the sound functioning of our school that we have a strong and representative SGB. Without this it is more difficult for our school to serve the needs of our school community. We also require expertise that will assist our school to function at a higher level. We are not specialists in HR or Law or Business and so to have these skills on the SGB is of significant benefit to the school when advice is needed.

We should all be aware of the education crisis in our country, and it is therefore important that the SGB holds the school management to account for the standard of education being experienced. This is a vital function of the SGB. This is a way of positively addressing the shortcomings of the provision of education in the past. It is a way of ensuring that opportunity is capitalized on.

We also wish to function as one team with our SGB because we share the vision and mission of our school, and all wish to see it delivering the best possible product. We want to grow our reputation as a school which is forward thinking and preparing our children to face the challenges that a 2030+ or 2040+ world will expose them to.

Please consider standing for nomination or nominating someone else if you think a positive contribution can be made. All the necessary information and nomination forms have been included in this mail.

Sport

Thank you for your support of our sport programme. I am grateful to the Sport Department for their work in monitoring the delivery of the programme and allocating coaches where required. This has helped with bigger groups or where specialist skills are required. We are looking forward to seeing progress being made as we move to a more “normal” situation. (It is important to note that inter school fixtures of any kind are still strictly prohibited.) Please see further down for more info from our sport department.

Academics

Please look out for the Grade information videos that will be emailed to parents and uploaded onto Google classroom.

Upcoming Events

SGB Nominations due 10 March 2021

SGB Elections 25 March 2021

Request to leave school early

We have had a few requests for learners to miss part of the school day to attend therapy sessions, extra-mural activities etc. Please note that we are only allowed to grant permission if it is a once off appointment but not for an extended period of time.

Personal Information

If contact details or cellphone numbers change during the course of the year, please inform the office as we need to update school records in the event that we need to contact you urgently.

Primary School:

Monday: **Modern** 2:45 till late (in the school hall)

Thursday: **Modern** 2:45 till late (in the school hall)

Ballet: Contact Lisl Gruneberg for times

Sport Department

Our school's term 1 sporting programme is fully underway! We have seen eager and enthusiastic pupils taking part in either Cricket, Tennis, Soccer or Hockey skills as well as Fun fitness, Cross country, Swimming and Drama over the last two weeks. The sign ups have now come to an end. We would like pupils to fully commit to their chosen sport twice a week and no changing may take place going forward for the remainder of term 1.

Ms Wendy Way has kindly offered to assist us during the Primary School swimming lessons. We are all delighted and very appreciative to have her helping with stroke correction and improving the children's all round swimming abilities.

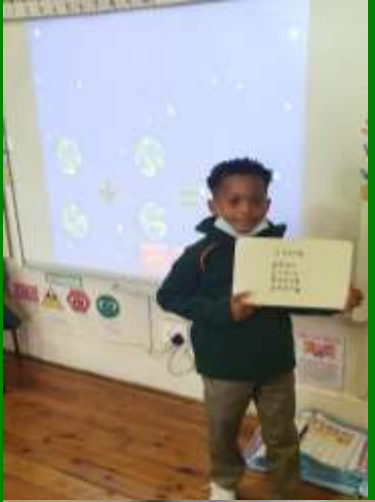

If there are any queries relating to sport at the Primary or Prep School, please contact Mr Sass on sport@campsbayprimary.co.za and Coach Butch on sport@campsbayprep.co.za
