

TAXI STRIKE

This has been a tough week for the Western Cape with those depending on taxis and public transport the most affected. Over half a million children missed school and over 17 000 educators were unable to be at their place of work. Many schools also closed for part of the strike.

We felt the impact at Camps Bay with the absence of on average 60 children per day and 5 staff who were unable to safely get to school. I am so grateful to families who offered to host children who could not travel home. We do have a special community.

The calling off of the “stay away” was obviously good news and we are optimistic that the strike will be over by next week. It is a busy sporting week, and we will be pushing ahead at 100% if it is safe to do so.

FROM THE SPORTS OFFICE

It has been a disruptive week for the extramural programme to say the least. As always, it is good for us to remain focused on what we have set out to achieve this term.

We will have 5 weeks of extramural activities left from the start of next week and it is going to be filled with opportunities for each learner to make up for lost time and a gentle reminder that this is the final number of fixtures for the Grade 7's winter sport season.

We are looking forward to hosting another Sunset Series Gala at the Wendy Way Aquatic Centre on Thursday, 17 August. Entries close on Tuesday, 15 August and this is a great opportunity to keep the momentum growing with regards to swimming.

Thursday, 17 August - Sunset Series @ Wendy Way Aquatic Centre
