

FAMILY FUN AT THE PRE-PREP CAMPUS THIS WEEKEND

Upcoming Events

- Fun morning at the Prep 15 October 9-12
- WCED Gr 4 to 7 Monitoring visit 17 to 18 Oct
- Grade 7 plays 20 October @ 18h00
- Be Inspired – Carina Bruwer - 3 November

We are looking forward to hosting our families at the pre-prep campus tomorrow to celebrate the completion of the parking area which was essentially the last remaining large element of this project. It has certainly made a difference to the whole precinct and we hope that as many families as possible will be there to join in the fun. Go for a run on the beach first, try out Padel Tennis, get involved with some of the other activities on offer and have fun with your kids for an hour or two! We will see you there! Your entrance enables you the chance to win a R4000 holiday voucher!

15 OCTOBER

PAST PUPIL MATRICS SPECIAL ASSEMBLIES

We hosted the 2022 Matric class who attended our school 5 years ago on Wednesday at the Prep and this morning at the Primary. The assemblies were brilliantly run by Ms Jess Abrahams and included the sharing of many memories.....both good....and not so good!! Our relationship with the High School is important to us and we celebrate the achievement of their students, especially those whose journey of learning began with our school.

TOWN PLANNING APPLICATION AT THE PRE-PREP CAMPUS - 18 THE DRIVE

Some parents have noted the signs indicating an application for consolidation of Erven at the Prep School Grade R Campus and there are questions about what is happening and who is driving the process. We apologise for any confusion created, as this was an innocuous process that we didn't feel the need to communicate since it was an SGB decision taken last year to regularise the work already done but given local sensitivities, we do appreciate the potential for consternation in retrospect. Hopefully this communication rights that misstep.

The land is owned by the City of Cape Town, leased to the Western Cape Education Department who in turn, have since 2020 leased it to CBPS. The land occupied by the Prep campus is a collection of a number of Erven, even including a road reserve on part of the new parking lot, which is zoned as such. We felt it important to neaten (from a management and utilities perspective) and protect the existing school buildings on one property, which corresponds to the area leased. The process was thus initiated by the SGB - the departures and restrictions removal are in respect of existing (long standing) buildings and whilst the original (Stage 2) plans anticipated the addition of more classrooms (new development), this is not anticipated in the foreseeable future as the plans were parked during the Covid lockdown period. We have allowed for that possibility in the future. The zoning remains as it is - Community Use for Educational purposes.

Anyone desiring further information is free to download the application document, with all facts contained, from the City's website at:

Thank you to the local community for the alertness and keeping us on our toes.

CONGRATULATIONS BEN!

Ben Esterhuyse surfed U12 at the National Surfing Championships held at Jeffery's Bay during the holidays. Ben was the defending champion having won the trophy last year when he was 11 years old. Ben came 1st and remains the South Africa's surfing champion U12. Ben has also participated throughout 2022, in a number of surfing competitions in the U12 category of Surfing South Africa's Junior Pro league and was placed 1st. Well done Ben, Proudly CBPS!

PRESTWICH STREET PRIMARY SCHOOL STATIONERY DRIVE

Prestwich Street Primary School, needs our help with stationery for their learners. The Foundation Phase, Intermediate and Senior Phase will be collecting specific stationery. If you are able to help, any of the following new stationery donations will be most welcome:

Grade R to 3: HB pencils, 30cm rulers, erasers, pack of 12 pencil crayons.

Grade 4 to 7: Black or blue ball point pens, 30cm rulers, pack of 12 koki pens, pair of scissors.

These donations can be brought to school from Monday, 17 October to Friday, 28 October 2022. There will be a special handover, thereafter.

SPORT UNIFORM AVAILABLE AT UNIFORM SHOP

It has been a busy start to the Term 4 extra-mural programme with athletic heats taking place while other sport codes have also started up early. As always, we would like each learner to get involved in the programme as we have aimed to expose each child to as many opportunities as possible whilst keeping in mind that we do want to maintain a balanced approach to our activities.

We will have our first set of cricket fixtures next week against Kronendal Primary and we will also host a number of tennis fixtures through the term. Inter-House Athletics Day will be on the 8th of December which is always an important day on the calendar.

In terms of what learners wear for matches or sporting events, please may I bring your attention to the following:

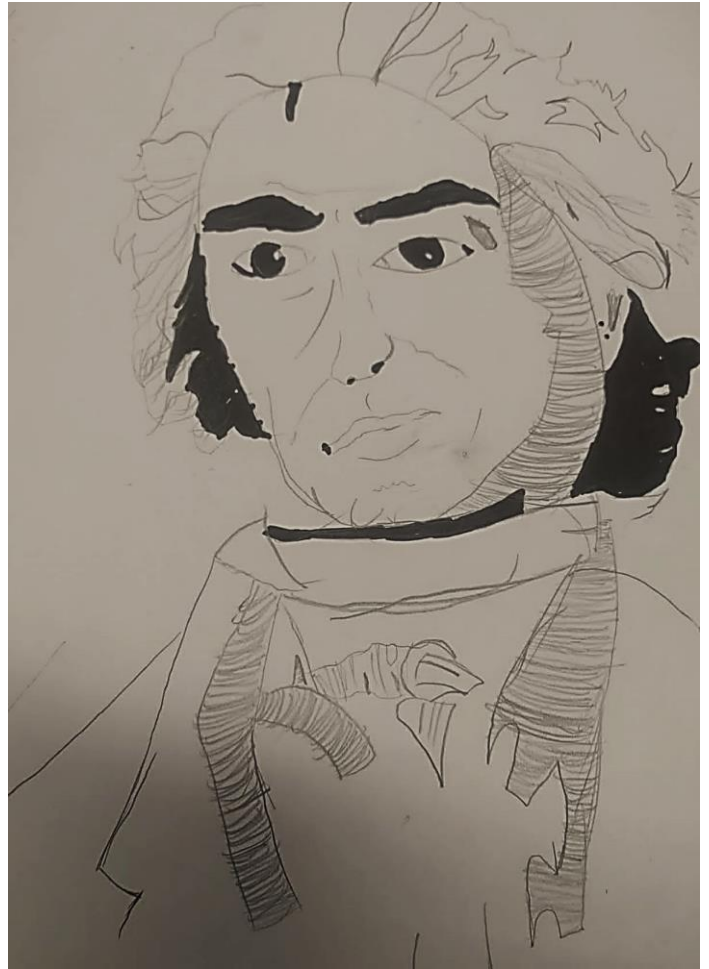

- Athletics: Green Camps Bay shirt (picture), green shorts. If sport shoes are worn short white socks should be worn too.
- Cricket: Green Camps Bay shirt, green shorts, long white socks and sport shoes.
- Tennis: Green Camps Bay shirt, green shorts, short white socks and sport shoes.
- Swimming: Plain Black costume. Camps Bay swimming cap (Team swimmers)

The green shirt referred to is the new sport shirt and can be purchased from the High School. It is the same as the one worn by the High School meaning that Grade 7s moving there can use it there too. We need to tidy up our uniform as there are many different versions that are being seen at the moment. We have made decisions to streamline sport uniform so as to make the acquisition of sport kit both easier and cheaper.

GRADE 2s learnt about 2 famous classical composers: Mozart and Beethoven and we drew black and white portraits of them.
