WHAT TALENT!

Upcoming Events

- National Youth Day 16 June
- Grade 3-7 school closes 13h00 21 June
- Pyjama day 22 June R10
- Term 2 ends 23 June (R-2) 10h45 (3-7) 11h00

We have seen our Grade 4, 5 and 6 classes presenting their showcases this week, which has been brilliant. We have some talented children who feel really at home on the stage, and then we have the majority for whom this is a daunting process. I was so impressed to see the confidence shown by our children and the way they confronted their anxiety and fear to deliver great

performances. This is such an important strength to gain and I am very grateful to all the staff for the manner in which they work with each person in order to make these performances possible. Well done!

EISTEDDFOD CONGRATULATIONS

On Saturday the 10th of June several brave performers took to the stage at the Sea Point Civic Centre to represent our school at the Cape Town Eisteddfod. For some of our

little ones this was their first time being on stage in front of other schools, and they held their heads high projecting their voices with pride and authority. We did exceptionally well this year, with results ranging from 75% to 89%. Thank you to all the parents for coming out to support our school. We look forward to an even greater Eisteddfod season next year!

PAJAMA DAY

On Thursday, 22 June 2023, we will have a Pajama Day in aid of James House.

James House is recognised for child protection services and care and development programmes. This work is implemented in the urban townships of Hout Bay and the rural communities of Matzikama (300km from Cape Town).

Donations of R10 will go to this worthy organisation.

These donations can be made on Karri App until Wednesday, 21 June or cash on the day.

FROM THE SPORTS OFFICE

On Saturday, 10 June, we ended off a busy 2nd term with a high-energy and eventful netball and soccer festival at the Symmonds field. It was an early start to the day as the first matches started at 8am but everyone was eager to get involved.

We were delighted to host The Grove, Pinelands North, Sea Point, Hout Bay International and Kronendal.

HERE ARE THE RESULTS FROM THE FESTIVAL (TOP 3):

Girls Open: 1. Pinelands North, 2. The Grove, 3. Kronendal

Well done to everyone involved and it is fantastic that we are able to host such events and allow learners from all areas to be involved in such a festival.

A big thank you to all the staff for their efforts and dedication to taking sport to the next level at Camps Bay Primary. Proudly CBPS!

JUNE 16 – YOUTH DAY

The picture above was taken last Saturday at our Festival. I would like to use it, or any other picture of our school community at work or at play, in order to pay tribute to those young people who lost their lives in 1976. Our world was very different then, and the first child to die was the same age as some of those in the picture above. There is so much that is wrong with our country right now, but, at least our children get to experience a community where we can all be together. We owe a great deal to those who had the courage to stand up to tyranny.

BEACH CLEAN UP

Well done to Mrs Green and all those that volunteered their time on Saturday at the Maidens Cove beach clean-up. It was very well attended even Mayor Geordon Hill-Lewis and ward councillor Nicola Jowell were there. Thank you everyone – Proudly Camps Bay!

- ★ Cost: R650
- ★ Venue: Growing Minds, 68 Barnet St, Gardens, Cape Town, 8001

This is a fun and interactive workshop. The development of social and emotional skills promotes children's ability to have an awareness of their feelings, cope with difficulties, manage themselves, relate to others and manage conflict. When children are taught specific strategies for recognising and responding to feelings and communicating effectively, they are less likely to act out frustrations at school or elsewhere. Children's friendships have their ups and downs and it is not always easy for them to know how to manage their friendships. This workshop teaches children about empathy and building healthy relationships. They will be taught to identify and label their feelings, manage uncomfortable feelings and relate to others. They will learn self-awareness, social-awareness, effective communication and self-management skills.

Help us build

PUMP TRACK for Camps Bay Park

We are collecting funds for a 180m pump track in the Camps Bay Park.

Our aim is to create a safe environment for our kids to be able to ride their bicycles and improve their skills. We want to build a 180m dirt pump track to go inside the perimeter of the Camps Bay Park (next to the tennis courts on The Drive). Nothing similar exists in the area, and it will create a space where kids can play outside and away from screens!

We need to raise R150,000* to make this awesome idea become reality. Every little bit of help will be greatly appreciated!
