## GRANNY AND GRANDPA VISIT OUR PREP SCHOOL FOR THEIR SPECIAL DAY

### Upcoming Events

- Extra-Murals end Friday 16 September
- Netball Festival Saturday 17 September
- Be inspired Series Sara-Jayne Makwala King 22 September
- X-Country Gr R-7 Friday 23 September

What a special occasion! It was such a privilege for us to welcome so many grandparents to our school today. We even had grandparents from Pretoria and Durban!

Thank you to all our special guests who made the effort to come along and support our children. They were so excited to have you here and be able to perform for you. Thank you to all those who brought eats for the tea afterwards. Your contribution was greatly appreciated. Thank you.

# SPORT IN THE SPOTLIGHT

We have reached the end of the term as far as sport is concerned and on reflection, progress has been made. The growth and development that happens in sport is gradual as our children develop their coordination, strength, fitness and skill. There is a vast difference between what happens at age 8 and at age 12. This is especially evident in skill levels and the understanding the importance of positional play rather than all just running after a ball. The “product” is seen at senior level where we can measure the success of our programme by how well we compete with other similar schools. Last weekend our rugby players did extremely well in the 7s Tournament held at Van Ribeeck Primary School. The benefit of our relationship with Hamilton’s Rugby Club showed, especially with our unbeaten U11 team.

Our Netball girls also participated in a tournament in Kuils Rivier last weekend which involved a large number of the strongest Netball Schools. It was tough to be thrust into this level of competition, however, their spirit and determination showed, and they can feel proud of what they achieved. Our U11 Girl’s earned 4<sup>th</sup> position of the day against the toughest schools in the Cape.

Our job is to ensure that we put a solid foundation in place so that our children can reach their sporting potential later in life should they choose to do so. COVID not only interrupted the physical and skill development we would normally have seen, but also the levels of motivation and perseverance required for children to reach their potential. More screen time and less physical activity is a concern and so we ask for your support when the summer sport options are sent out next week to get all our children active. My thanks to all the coaches who have worked hard on giving our children opportunities to play and develop.

## NAPTOSA CONFERENCE

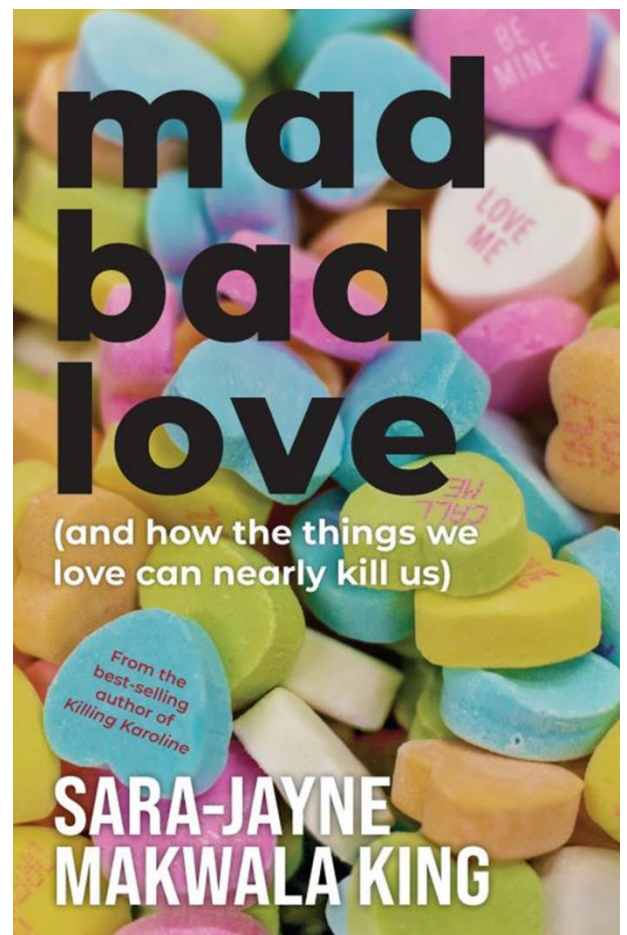

Camps Bay Primary hosted a workshop for NAPTOSA last Saturday. Mrs Hamber was involved in the organisation of the event while some of our staff were able to attend. Thanks to the team who put this event together in such a professional manner. We were the recipients of many positive comments, especially for the amazing catering by LUNCHWORKS who are our tuck shop providers.

## FILMING CONTINUES

The filming of 'Tali's Joburg Diary' has continued this week. Tali, aka Julia Anastasopoulos, took time out of her hectic filming schedule to pop into school and say hello to everyone at the primary campus. It was only later that we realised that her motive was to wish Mr Ryklicff a very happy birthday! Thank you to our staff and children who have made this possible by adapting schedules and venues.

### FROM THE SPORT'S OFFICE

Our extra-mural programme has come to an end and what a term it has been. It is only fair to mention that the U13A Boys Soccer and U13A Netball teams have played extremely well. The U13A soccer team will be taking part in the 7-a-side tournament at Kronendal on Friday whilst the U13A netball team will be hosting their last set of fixtures

on Saturday, 17 September in the Camps Bay Primary School Netball Festival for the U9A to U13A teams. Go well. We are very proudly CBPS! There will be no extramural activities, practices or fixtures from next Monday.

**Inter-House cross country:** On Friday, 23 September, we will be hosting our Inter-House cross country competition at the Symmonds Field. The circuit will be run in and around the field to make it safe and inclusive for all the runners. The day will start with the Grade 3 & 4 runners starting at 8:30am until 10am followed by the Grade 5 -7's running from 10:30am until approximately 1pm. All learners will go up to the field at the same time and support each other on the day.

**Inter-House chess, soccer and netball:** On Thursday, 29 September, we will be hosting our Inter-House chess, soccer and netball competition as the final sporting event for the term. This is part of the Golden Ticket Week which promises to be an exciting event. All the sporting events will take place at Symmonds field with the Staff vs Grade 7's ending off the day at the school. The day will run from 12 noon until 2pm.

**Sport sign- up form:** Please look out for the sport sign up form for the 4th term. This will be released on Monday, 19 September. There will be a short window of sport matches and practices due to tests taking place in November. However, we would like to maximise every opportunity we get to play sport.

# NOMINATE YOUR HERO

## CELEBRATING SA'S HERO TEACHERS.

**Each year we look forward to celebrating World Teachers' Day on the 5 October and this year is no different.**

Together with MySchool and in partnership with the Department of Basic Education we have launched our annual teacher's day competition.

**Do you know of a hero teacher?** Are they someone who deserves to be recognised for their extraordinary acts of service, dedication and for going above and beyond to make a meaningful difference in their school, community and in your child's life?

Register to the Making the Difference digital platform and assist your child in nominating their hero teacher and they could stand a chance to win a share of R400 000 for themselves, their school and their educator.
