SENIOR INTER HOUSE GALA

This morning our Senior Inter House Gala for 2023 kicked off with almost all our children participating. Our sport policy encourages both participation and excellence and

this gala provides every child with the opportunity to participate and compete for house points.

CHAMPIONSHIP GALA

Later this term on, 17 March, our swimmers will have the opportunity to compete for top honours in the prestigious Championship Gala. This gala will be for the top swimmers in the school and medals will be awarded for the top places. Any business interested in sponsoring this event is most welcome to contact me to discuss this opportunity.

FAMILY PICNIC + FOOD + PADEL + FAMILY FUN = COOL SCHOOL

We are so looking forward to having some social time together next Friday, 24 February at 5pm. You are of course welcome to bring your own picnic. But if it's easier for you, there will be a variety of delicious food available – pizzas, picnic boxes, boerie rolls, hot chips, burgers, wraps, smoothies, donuts and candy floss.

These items will however need to be pre-ordered on Karri by 22 February. Cooldrinks, coffee, ice-creams and glowsticks will be on sale on the night. Don't forget a picnic blanket, and if you're feeling more energetic, you can book a Padel match –

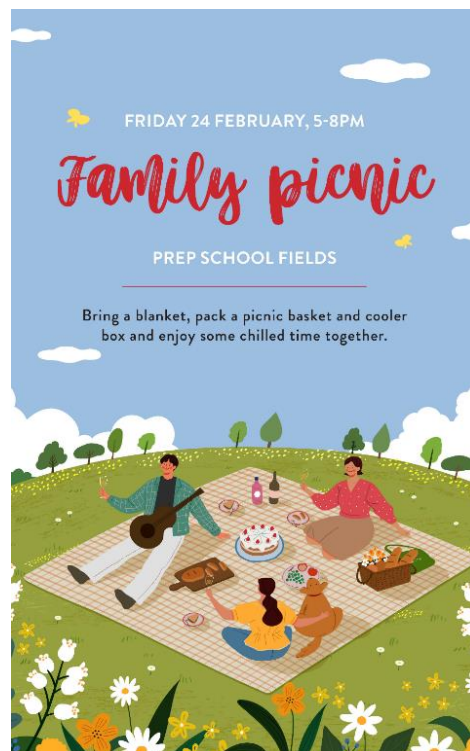

social or competitive. Find a partner and book your slot on the [Google form](#).

The school picnic is free to all CBPS families. We do request that you just complete the RSVP [Google form](#) to let us know who will be attending so we can plan space wise. Don't forget your picnic blanket! See you at the prep fields.

WIND BLOCKS PADEL TENNIS VIEWING

It was really unfortunate that high winds forced the Camps Bay Masters Padel Tournament to be played indoors. The organisers provided each learner with a ticket and it was our hope that all our children would visit to see a game in the very impressive arena. This was a special opportunity for those of our children who have never had the opportunity to see a major sporting event. Thank you to Padel Africa for the tickets.

Has anyone
seen my owner?

SHADE AT THE PREP

This week our facilities team put in the poles for the new shade structures at the prep. These have been chosen for their ability to withstand high winds and we hope they will be able to do just that after the wind we have experienced this week! Thanks to Mr Dhungwizha, Mr de la Cruz and Mr Chigona for their work on this project.

UPDATE FROM THE SGB

We have kicked off the first SGB meeting for 2023 and wanted to share with the wider parent and school body some key highlights.

We are always looking at how we can improve the school and generate additional income while maintaining quality education. Thank you to the school staffing body that has supported us in this drive and thank you to all the parents who pay their fees on time as this helps us plan for the year.

Our upgraded prep campus car park has been well used over the school holidays as an additional income generator for the school. Even more exciting is that we now have a fully functioning borehole at the prep campus so we no longer have to pay hefty water bills and the borehole will more than pay for itself in a few months.

There are some exciting opportunities that we are currently investigating for additional income so we hope to report back shortly but please feel free to contact the SGB if you have any ideas, you think we should be considering for the school.

Lastly, we want to say thank you for a great turnout for the budget presentation last year and for being so engaged. We know we still have a few challenges ahead but believe we are moving in the right direction and with a more settled year, after two years uncertainty, we look forward to an exciting 2023.

FRIENDSHIP WEEK

FROM THE SPORTS OFFICE

We are at the halfway point of the term and it is good to take time to reflect on what has happened at the Primary and Prep school.

- After participating at Inter-Schools Athletics, 8 of our learners qualified for the next round. Thanks to Mrs Weldon and the coaching team, and good luck to our athletes as they prepare for the Zonal event on the 25th of February.
- We hosted the first regional Relay Gala and won the event convincingly. Well done to our swimmers and thanks to Mrs Hamber and the coaching team.
- We have played a number of cricket matches with our teams showing good development. We look forward to seeing this developing.
- Tennis has also delivered some good results thanks to Mr Rycroft. The calm and focused approach seems to be paying dividends.
- Padel Tennis is the fastest growing sport in the world, and we have been fortunate to be able to offer it at our school. Thank you to Mr Ryklicff for running this sport in a ladder competition format for the learners.
- The Prep Sports Programme is up and running with far greater numbers of children participating this year. Thanks to Mr Notoko who instils a love of physical activity in our children. The Prep is where it all happens, and this stage is vital for building the foundations for good sport at the school.

Personalised Children's CD

A Special Gift of Song !

The Singing Hearts Club

Hi there! I'm **Laura Santoni**, the creator, and voice of **The Singing Hearts Club, Dizzy Love, Personalised Children's CD**; a special gift for little ones up to 8 years of age. I sing and record your child's name **live** into each of the 10 songs several times. Children love to hear their names when they feature as the main character of each of these **uplifting** and entertaining musical stories. Designed to build **confidence**, **self-esteem** and encourage children to sing and socialize, the songs are **educational**, **fun**, and **adult friendly** so the whole family can enjoy them too.

"Kaylen is absolutely thrilled with her very own CD. She yells "Mommy Mommy they're saying Kaelyn", every time she hears her name. Too cute! All the songs are amazing.. Thrilled to find such an outstanding local product at such an affordable price. Well done!
