## MORNING DROP OFF TRAFFIC

The dreaded queue at drop-off and pick up time is a problem. It really does help if cars can pull over on the right to wait, or ride up onto the pavement on the left, if waiting for children. We only have a narrow one-way which is an issue which means we all need to be as considerate as possible in order to ease the congestion.

## FROM THE SPORTS OFFICE

This week has been a successful one for Camps Bay primary on the sporting front. Whilst the results have been impressive, it is the approach of the coaches and players alike that has been great to see. Off the back of another successful netball week, we thank all parents, staff and learners for their hard work and "never give up" attitude.

### SWIMMING

We have been able to host two Sunset Series Gala's with the dedication of Vineyard Swimming Club and the number of swimmers at the events has continued to increase. The swimmers aim to improve their own times in each gala and progress is evident. We are looking forward to the next event and we are very pleased to be able to offer this opportunity to all our swimmers.

### RUGBY

### SOCCER
