

ATHLETICS IS HAPPENING!

On Saturday, 26 November, we hosted an athletics clinic that was run by Dr George Joubert.

There were 35 athletes who took

part in the event and it was incredible to see the attention to detail that George and the coaches exposed the athletes to. George Joubert is a South African athlete who has 320 Provincial coaching medals, 102 National coaching medals, 15 International coaching medals, represented South Africa in Decathlon.

END OF YEAR – GOLDEN TICKET WEEK!

Once again, we will be holding Golden Ticket Week next week with some exciting activities on offer. Our Grade 6 learners started their programme yesterday with their Leadership Experience in preparation for the role they will play as seniors next year.

For our Grade 7s, the final weeks have arrived. They are finishing off with some activities where they reflect on their time at our school.

We also wish them well with their special Farewell Event tonight where they will be celebrating the conclusion of their time in Primary School. The parents have put in a huge amount of work to make this event special for the Grade 7s and we look forward to seeing them enjoying themselves tonight.

CONGRATULATIONS PATRICK!

Patrick Maughan has been playing rugby for the Hamilton's rugby club. They had their awards on Friday and he won the "Player of the Year" (Best and fairest) for the mini rugby squad. Not only that but the U9A team that he plays for won "Team of Year" out of all the junior teams at the club.

Well done Paddy – Proudly CBPS
