

## SPRING DAY PLANTING AT GRADE R CAMPUS PARKING AREA WITH VILLAGE N LIFE

### Upcoming Events

Be Inspired Parent Series – Thursday 8 September  
Netball Festival – Saturday 17 September

The new Prep School Grade R Parking Area was the scene of an incredible Spring Day celebration. Nine young trees were planted along with a large number of smaller shrubs and plants for ground cover. We were very lucky to receive assistance from the Village N Life Group, who have provided vouchers for us to use to raise funds for the trees and plants. We are also very grateful to the group for the time and expertise provided by Cherise Viljoen, Master Horticulturalist for Village N Life, and her team.

All our Prep children assisted with the planting of the smaller plants and the area has been transformed as a result. The carpark will be open from Monday morning!

## Planting day at the prep expansion campus

Thank you to the parents who have assisted with plants. If you would still like to contribute some cuttings or plants or trees to this space we would be most grateful.

We will be hosting a special event to celebrate the completion of this parking space on the first Saturday of next term. We look forward to seeing as many of you here as possible to enjoy the new space together.

## FROM THE SPORTS OFFICE

'The most dangerous phrase in the language is 'We've always done it this way.'  
- Grace Hopper

With many different situations and aspects facing us in an ever-changing world, one thing that people most look for is consistency. How does that relate to the quote above? Well simply put, we have to be ready to consistently adapt to an ever changing environment but we can never let go of our values and what makes Camps Bay Primary the unique school that it is.

If one looks at how the learners have shown their ability to push themselves above normal expectations and in the same breath, know that there is always room for improvement, then it culminates to a growing desire to do well in every aspect of their schooling career.

### Netball Festival - 17 September
