WORLD BOOK DAY!

Thank you to all our staff and Children who made such an amazing effort to celebrate World Book Day. We had parents reading to children at the Prep while at the primary a Reading Quiz was held in assembly. Reading is the most important skill we have as we cannot access knowledge without it. Thank you to all our parents who helped with costumes to make the day extra special.

MySchool

The MySchool cards have raised **R5 725.22** this month for Camps Bay Primary.

Thank you so much for choosing to support our school with your card purchases. We really appreciate your support.

Well done, keep swiping!

CONGRATULATIONS Adam and Ben!

Over the weekend Muizenberg held the Cape Town Surf Pro, a national surfing competition.

Adam Faclier took 2nd place and Ben Esterhuyse came 4th in the U14 division. Incredible to have two of our Grade 7s in the top 4 places.

Well done Adam and Ben- Proudly CBPS!

PTA NEWS

We are very excited about our inaugural market on Saturday 27 May. Please save the date to come down to the prep fields and browse the array of stallholders, grab a bite to eat or a coffee, and stock up on fresh produce. The market is open to the public. Please email Kim at ptahead@campsbayprimary.co.za if you would like to apply for a table at this new community event.

The PTA is collecting any unwanted books you are keen to clear out. Pre-loved books can be placed in the boxes at Michelle Fernandes or Rene De Wet's offices at both the prep or primary campuses.

Last reminder to return your SWIMATHON forms and sponsorship money urgently please. We are eager to hand over prizes to the winners and there are some hotly contested categories!

FROM THE SPORTS OFFICE

We had our first winter sport fixture against Bergvliet on the Netball Court this week. Whilst the joy of victory is evident, it comes with spending time and effort in being willing to work on areas where we may not be the strongest. I would like to encourage every learner in every extramural discipline to keep fine tuning their skills and to keep focusing on what we can get right and improve.

A reminder of our dress code for matches:

Chess: School uniform

Cross Country: CBPS shirt, green shorts, short white socks and sports shoes

Netball: Green CBPS shirt, green skorts, short white socks and sports shoes

Rugby: Green CBPS shirt, green short and gum guard (compulsory)

Soccer: Green CBPS shirt, green short, red socks and boots

Swimming: CBPS swimming cap (no external caps to be worn), black/green CBPS costume or jammer

There are a limited number of red socks available at the school at a cost of R80.

When it comes to the cancellation of matches or practices please note the following:

- Should the weather be inclement, matches will only be cancelled at 12 noon and not before that. If we are playing an away fixture, it is the host school to make the weather call.
- Should the weather be unfavourable at a practice, there will be a theory lesson for 30 minutes on the day of the practice.
- If there is no match on a match day, practice will continue as normal.
- Learners are to excuse themselves from a practice session if they cannot attend as this does determine our team selection process.

Please refer to the Sports Calendar for some important events coming up over the next 2 weeks.

If you are unsure of any details regarding the sports programme, please email sport@campsbayprimary.co.za.

GRADE 7

Snail Mania Natural Science Practical

As part of the CAPS curriculum for Natural Science, Grade Sevens study various types of invertebrates, of which the snail is one. The kids were super-excited to "find" and bring a snail to school for this practical activity. They spent a session in the Science Lab observing the little creature and recording what they found out through observation. This is a key skill needed for science. Much fun and delight was experienced by all.
