### MYTHS MASH-UP GRADE 7R

Greece is the word in this original play, where ancient myths undergo a contemporary and irreverent "mash-up".  
From M.C.

Orpheus's "spin-technique" to Midas's misfortune to Narcissus's Beauty Creme, mythology runs a wonderfully slanted course.

## A HAIRY TALE GRADE 7H

The crew were in top form on stage the previous two nights performing a rendition of a mixed-up fairy tale, "A Hairy Tale".

## INTO THE HOOD GRADE 7NR

INTO THE 'HOOD takes us down the path - no pun intended, to a place where well-known fairy tales and children's stories meet modern day drama. This fast-paced play has greed, loyalty, betrayal, laughter and of course, good vs evil. The baddies are represented by the wicked stepmother and her two stepdaughters together with Wolfie, Liewe Heksie and her side-kick Blommie. As it should be though, good does eventually triumph over evil thanks to fearless heroes and heroines like Red Riding Hood, the Baker and his wife, Jack and of course, Cinderella.

## FROM THE SPORTS OFFICE

We would like to wish our U13A soccer boys well as they are on tour and will be part of the Champions Shield hosted by Sun Valley Primary on the 22nd and 23rd September. If you are in the area and would like to support, please see the link and click on "Champions Shield" for all the relevant information:

The team played Pinelands North Primary on Thursday, 21 September as a warm-up game and won that encounter by 3 goals to 1. We wish them well.

### **Term R Sport:**

Please have a look out for the sign-up form for Term 4 sport. Our core sports which we focus on for the term are Athletics, Cricket, and Swimming. Chess (Prep), Padel Tennis (Primary) and Tennis are offered as additional options.

### **Coding**

We are also introducing Coding to the programme for the 4th term. This will be offered by Ms Hamber and I am sure will prove popular. The cultural activities are a great way to expand exposure to skills and we encourage each learner to be involved in the Extramural Programme in some way.

If you have any queries regarding the Extramural Programme, please email: [sport@campsbayprimary.co.za](mailto:sport@campsbayprimary.co.za).
