PTA NEWS

PICNIC TIME... We look forward to seeing everybody later. If you ordered a boerewors roll on Karri, please collect your ticket from the ticket table at the picnic.

A huge thank you for the continued and significant support we are given by the Sea Point Spar and Dairy Den. They have gone above and beyond for us again and again – we are extremely grateful. We also appreciate the contributions from Franki Gas and Pure Good for the picnic. Thank you!

TIME TO DECLUTTER!

Refresh your space, share your treasures: donate toys and books!

We are reaching out to our wonderful school community to donate good quality second-hand toys, games, books, art supplies, and stationery (or even new unwanted gifts). Your generous contributions will be used for:

- 1. Prizes:** Toys and games collected will be used as prizes instead of cheap plastic junk at our upcoming school fete in April. By donating gently used items, you're not only supporting our school event but also encouraging a more sustainable approach.
- 2. The outreach program:** The books, stationery, and art supplies will be donated to our outreach program at Kalksteensfontein Primary School. Your donations will help provide educational resources and creative tools to those who may not have easy access to them otherwise. We have a special appeal for Afrikaans language reading books in particular, which will allow children in need to explore stories and expand their language skills.
- 3. Fundraising:** All other pre-loved books – including fiction and non-fiction, any kids, coffee table, reference, recipe or DIY books – will be sold at our second-hand book table at events through the year, raising money for the school.

Drop-off points: Look out for clearly marked boxes conveniently located at the Wednesday and Friday coffee mornings at the school, starting on 1 March. Simply bring your donations with you during these times and drop them off in the designated boxes.
