AWESOME NETBALL FESTIVAL

Congratulations to all our girls who played in the first Netball Festival to be hosted by our school. Two of our teachers took the initiative and planned the fun sport day which was a great success. A short rain shower did nothing to dampen spirits and our girls did us proud with some outstanding netball and brilliant results.

The highlight of the day was the parents vs kids, where the rules seemed to matter a little less, and fun a lot more! Thank you to all the staff who made this possible, especially Ms Manan and Ms Scott for driving this great initiative!

SARA-JAYNE MAKWALA KING INSPIRES US

We are so grateful to Sara-Jayne Makwala King for the way in which she shared her story with us at the 'Be Inspired' Series on Thursday. The woes of loadshedding were lost as she spoke with absolute candour about her life and the impact of being relinquished when only a few weeks old. Her struggle with addiction and the need to be loved have influenced her life decisions. Thank you to Mervyn Slowman and the Book Lounge for being on hand with copies of her books. Thank you to the awesome team behind the scenes who made this talk possible.

3. **Fantastic vendors:** We are offering a few exclusive market tables at our family morning on 15 October, 9am-12pm. If you know of anyone who would like to come and sell their wares to our school community, please get in touch.

FROM THE SPORTS OFFICE:

"Don't ever let good enough be good enough" - Bill Parcells

The 3rd term has been an eventful one and without a doubt, a high standard has been set regarding our netball and soccer programme. Special mention has to be made to the U13A boys soccer team who were undefeated this season and who showed great resolve and determination to carry the name of Camps Bay Primary School high. The netball group did exceptionally well and ended the term off with a successful Netball Festival which saw Grove, Bergvliet, Kronendal and Sea Point join us for the day. Camps Bay won the festival overall with the spirit of the day being very absorbing and positive. A big thanks goes out to all coaches and staff who made the day possible.

4th Term Sport:

Prep Campus: A hard copy form was sent home this week please return this by Tuesday.

Primary Campus: The sign-up form can be completed on Google Forms following this link: <https://forms.gle/ed3XUGYQDqoQVr9H9>. Please use the extra-mural programme (<https://www.campsbayprimary.co.za/assets/em-programme-term-4.pdf>) to help make a decision on which sport your child will participate in next term. We would encourage your child to get involved in as many competitive sporting codes as possible. Soccer and netball skills will resume for the duration of our practice schedule. Please note that numbers for the skills are limited as we will be focusing on athletics, cricket, swimming and tennis.

Learn 2 Swim will no longer be an option for learners as the programme was not well supported. Should you wish to find extra swimming lessons for your child please contact our in house swimming academy - Vineyard – gary@vineyardswimming.co.za

Once your child has signed up for a sport for the term, it is imperative that they stay committed through the whole duration of the season. We have had learners who stop attending the practices halfway through the season and this does affect our team numbers for league matches.

We do have a short window of sport in the 4th term so we will endeavour to give as many sporting opportunities to the learners as possible.

Book your party @ School!

Did you know... The school has a variety of amazing venues available to rent for end-of-year functions, kids parties and team-building.

Venues include the new prep hall with its verandah, beautiful view of Lion's Head, kitchen and new bathroom facilities; as well the five-a-side field at the primary campus – ideal for birthday party fun; the Wendy Way indoor swimming pool is available for hire over the weekend. Speak to Alison Templar at bursar@campsbayprep.co.za for your hiring needs.

THANK YOU RED CROSS CHILDREN'S HOSPITAL

Leah Botes and Eva Bagley in grade 3CS were inspired to make a difference in the lives of children and decided to put together a collection of clothes and toys to donate to the Red Cross Children's Hospital. Many children, particularly in the burns unit, arrive with no clothes or belongings and benefit greatly from having clothes to go home in and toys to keep them busy during the many hours they spend in hospital.

The Red Cross Children's Hospital Trust were thrilled to receive our donations! We want to say a very big THANK YOU to all the children and parents who donated so generously and enthusiastically to this great cause. Proudly CBPS!

DARG DONATION

On 2 September we celebrated Spring day with a civvies day and collected money for DARG. We raised an incredible R7448 and that was handed over to DARG. Thank you to all the parents for contributing to this worthy cause. Proudly CBPS!

WORKSHOP:

Taming the ANGER MONSTER

Anger can be a BIG feeling that sometimes takes over our bodies. This workshop is designed to help children externalise their anger more effectively by identifying what their anger looks like, feels like and what makes their anger visit them (triggers).

This workshop helps children form a different relationship with their anger by teaching them that feelings are visitors (they come and go) and most importantly that they are NOT their feelings but feelings impact their behaviour.

WORKSHOP:

Growing friendships with kindness

Friendships have their ups and downs and it is not always easy to know how to resolve disagreements. Problems with friends can affect how your child feels about themselves and their enthusiasm for activities that involve others, however when friendships are going well they support children's emotional wellbeing and confidence. Friendships are very important for social and emotional development as children learn how to relate to others and to communicate effectively.

This workshop will teach the following skills: self-awareness, empathy, effective communication.
