GRADE 7 Project Based Learning

Our Grade 7s were tasked with producing their own brand of cereal as part of an ongoing Integrated English, Drama and Project Based Learning experience. The commitment to this project has been astonishing!!

So yummy!

PTA NEWS

We are very excited about our inaugural market on Saturday 27 May. Please save the date to come down to the prep fields and browse the array of stallholders, grab a bite to eat or a coffee, and stock up on fresh produce. The market is open to the public. Please email Kim at ptahead@campsbayprimary.co.za if you would like to apply for a table at this new community event.

The PTA is collecting any unwanted books you are keen to clear out. Pre-loved books can be placed in the boxes at Michelle Fernandes or Rene De Wet's offices at both the prep or primary campuses.

HAPPY FREEDOM DAY!

"For to be free is not merely to cast off one's chains, but to live in a way that respects and enhances the freedom of others."

Nelson Mandela

FROM THE SPORTS OFFICE

It is with much sadness that we received the news of a Pinehurst learner who sadly passed away last week. As a result, all sport fixtures were cancelled. We send our condolences and prayers to the family and the Pinehurst community.

We have a busy week when we return to school with cross country, netball, rugby and soccer fixtures taking place. We will need assistance with transport for some of these fixtures so please check the details carefully. Good luck to all our teams who are competing.

Please support the U13 Netball tour squad who are raising funds for their tour from 11 - 13 May. They have been selling items such as hot chocolate and ice lollies as well as running a tuck-shop to ensure their tour goes ahead.

For any queries, please contact Mrs Green on green@campsbayprimary.co.za.

CONGRATULATIONS

We would like to congratulate Ms Amy Grassow on becoming Mrs Amy Ketteringham this past weekend. We wish you and Robert many happy years together!

GRADE 2

Our Grade 2s have been very busy working in groups and completing pattern work on iPads.

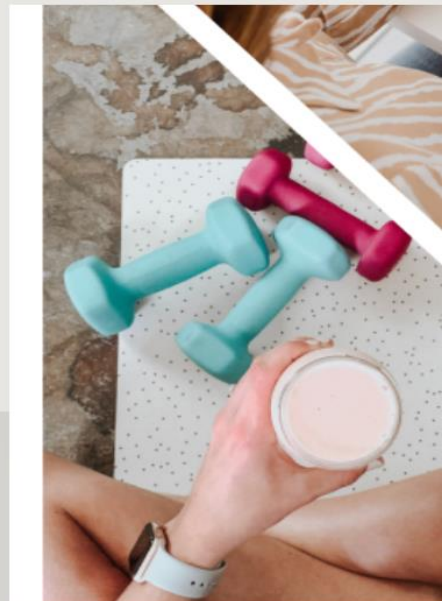

Another group worked on estimation and problem solving and the third group worked in their Number Sense books. We all had a turn to do all the activities.

GRADE 3

The Grade 3 class had the torturous task of describing what was in their lunch box, without being able to eat it!! They were working on descriptive language:
