## THIS IS WHAT MAKES US SPECIAL!

### Upcoming Events

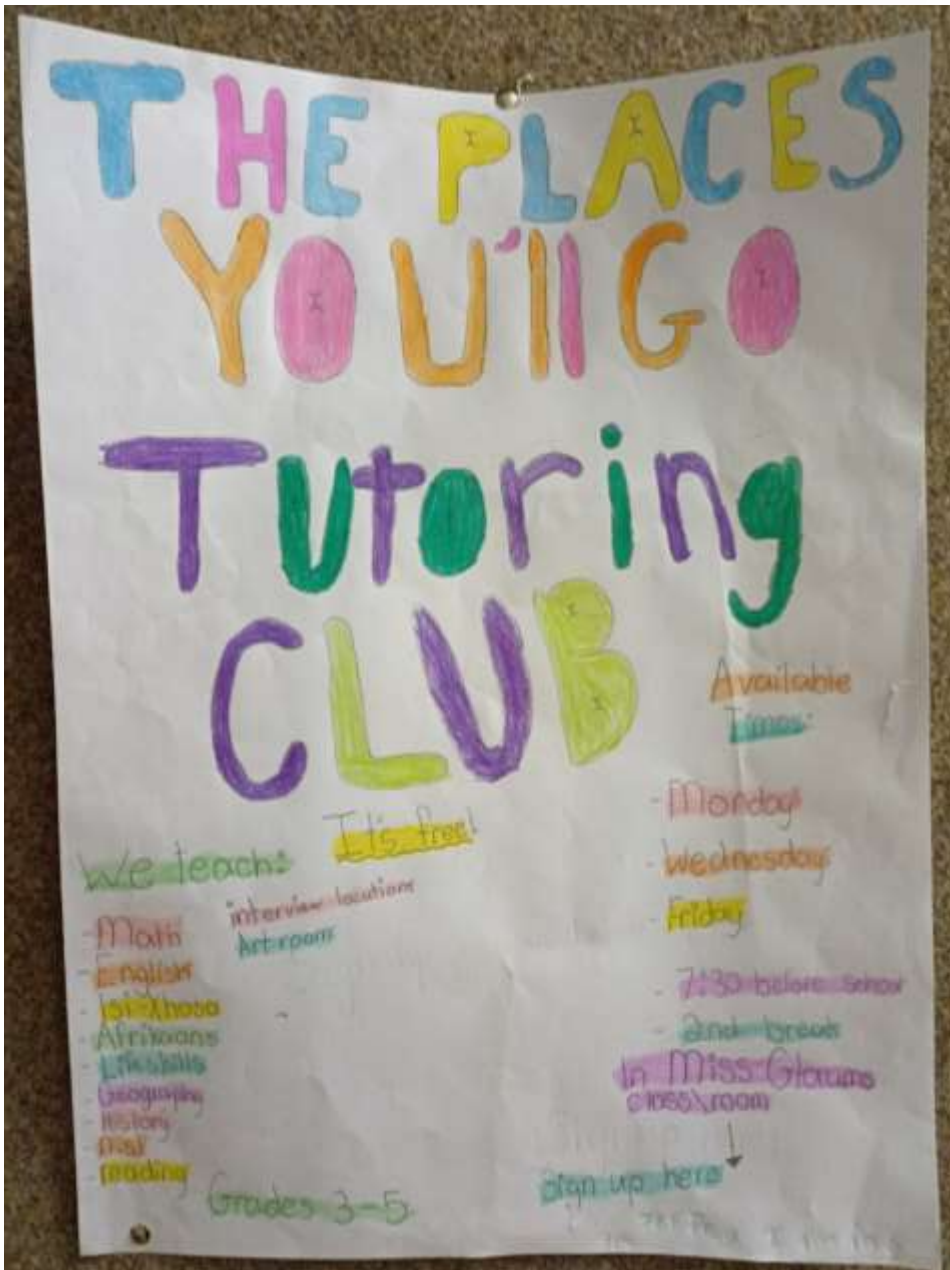

- Beach Clean-up 30 July
- Snack sale 4 August
- Be Inspired 8 August

A Gr 5 learner popped into my office to ask if she could put up a poster inside the school.

When I asked what it was about, she said that she wanted to start a tutoring business. I asked her to tell me more about it and she went to explain exactly how this would work from “employing” the tutors to the venue requirements.

This morning in assembly, Nevena Milojevic advertised her new venture.

This is what real leadership and entrepreneurial spirit is all about. Making things happen. Congratulations to Nevena and good luck with your business! This is what school should be all about!

## SNACK SALES

Next Friday 4 August, the Grade 1's will be selling healthy snacks and treats on the prep campus. The boys touring soccer team will be selling trinkets and snacks on the primary campus to raise funds for their trip. Please support them by sending some money to school with your children.

## FROM THE SPORTS OFFICE

It has been a week where we have experienced some highs and some lows. One aspect that was a low experience was the late cancellation of the netball fixtures scheduled for Wednesday by the other schools. This was not easy for our parents; however, it was incredible to see how adaptable and supportive our parents are by being willing to make sudden changes to your schedule and your continued support of the school is what enables us to be able to move in so many ways.

We also played rugby against Kronendal and although results didn't go our way, the

drive to grow the game of rugby at Camps Bay Primary is obvious to see. Our U13A team came up against a rather large Kronendal side, but a valuable lesson was experienced by the players about being able to face challenges head on. A 35-29 result is evidence that the team has the ability to take on any side without asking "what if" after the match.

## RUGBY RESULTS

- CBPS vs Kronendal
- U11A lost 7-14
- U9A lost 0-15
- U13A lost 29-35

The boys played their heart out. They were unfortunate to have lost, but they all made CBPS proud!!!

## **SOCCER RESULTS**

Congratulations to our soccer teams who played against Kronendal this week:

- U9A vs Kronendal: won 1-0
- U9B vs Kronendal: won 2-0
- U11 vs Kronendal A team drew 0-0, B team won 4-1
- U13A vs Kronendal: won 2-1
- U13B vs Kronendal: won 3-1

## **CHANGES TO SPORT NEXT WEEK**

Please note that there have been some changes to our fixture list for next week due to the knock-on effect of cancellations and alternative arrangements being made.

### **Quote for the week**

**“If you only ever give 90% in training then you will only ever give 90% when it matters.”**

– Michael Owen

## **THE WORLD CUP IS HERE!!**

Thanks to all our learners and staff who showed support for our team and country today. We got into the mood early with a netball shootout this morning in assembly. Thanks to everyone who participated!!

## Camps Bay Primary School Prep Campus

Reception Grade

13.30 pm - 14.15 pm

Grade 1 & 2

14.15 pm - 15.00 pm

Fees: R1460 / 8 lessons

Outside on the Patio - Reception Grade Campus

Our main objective is for the children to experience the medium of clay, to have fun while learning the techniques of building. The children make functional ware as well as fun pieces - favourite subjects include animals or magical creatures and scenes built on a flat slab. Don't get me started on how much they love painting - "it's about the journey, not the destination!"

Clay Creations offers children an excellent opportunity to explore their own creativity. Additionally, they benefit by listening to instruction, processing information received, both verbally and non-verbally and concentrating while using their fine motor skills and hand eye co-ordination.

I offer 45 / one-hour lessons with one project being completed each week (we build and paint in the same lesson). The children's glazed work is returned to them every week. (expect at the beginning of term, which takes 2 weeks). Lessons are set out at the beginning of the term and include:

- making pinch pots
- building with coils (sausages)
- working with slabs (flat pieces of clay)

Each project is brought back to my studio to be dried, fired and glazed.
