GOLDEN TICKET WEEK IS BACK!

We are really excited about the return of the Golden Ticket week for the last four days of the term. This is our chance to do things differently at school and a varied programme has been put together which will see different grades taking on different activities. Standby to receive your very own Golden Ticket soon!

SWIMATHON IS ON!

Our pool area has undergone an upgrade and we are thrilled with the way in which Vineyard Swimming Club is going about their coaching and adding value to our school. The last Swimathon in 2020 generated R 163 000 which was put towards the acquisition of new equipment. We hope to raise enough funds with the 2022 Swimathon to be able to complete paying for this project.

This event will involve parents who will assist in ensuring that laps are completed accurately. We hope that our children will be successful in registering sponsorships that will see our school reaching its target. Good luck everyone!

PICNIC IS ON..... Later!

The decision to postpone the Family Picnic last Friday was definitely the correct one as the wind was gale force in Camps Bay that evening. It has left us with the problem as to when to hold this event. The forecast for this week was not great and the short notice was a problem. We have therefore decided that in order to give a reasonable amount of notice, the first Friday of next term will be the day. Let's hold thumbs for good weather and a stunning evening!

We will open food orders again for this occasion. The orders already in for the last date will carry forward. Of course, you are also welcome to bring your own picnic.

PARENT PORTAL

With the end of term approaching us, here is a reminder of how to access the parent portal for the reports. You need to use your email address that you provided to the school as your username and create a password of your choice. Please follow the instructions below to access your child's report and teacher-parent communication such as homework, assessment timetables and other announcements, including information relevant to a specific grade.

How do I register on the Staffroom parent portal?

Step 1: Open the web browser (Safari, Chrome, FireFox) on either of your mobile devices, tablet or your PC and click the register link:

<https://cbps.intouch.zone/public/login/parent>

Step 2: You will then create an account and password for the portal using your email address you provided to the school.

Step 3: Once this has been done an email link is sent to your email address to enable you to validate the account - you simply need to click on the link.

Step 4: Once this has been done you can log onto the parental portal at any time using this username and password.

Thanking you for your support and please complete this process asap to avoid any problems accessing your child's report at the end of each term.

Hi, I'm Di Hill, Mom to Saskia, my 3rd child who is in Grade 3 Ms Liss

I'm very excited to announce that I have written and published a book in New York called "Authentic, Aligned and Abundant - Your Triple A Guide to Creating Your Magnificent Life"

I'm a Women's Empowerment and Abundance coach and work with mid-life women who feel frustrated, stuck, possibly angry or miserable and show them the tools to create their best life. I decided to write a book to help as many people as possible live an incredible life!

This is the book summary:

"We are born from the energy of love, the same energy as the universe itself, designed to live in alignment with our soul so we can create the magnificent life we are truly deserving of. I'll help light your way so you can understand why you haven't got what you want and more importantly show you how to effortlessly draw in the life of your dreams in accordance with your soul".

It's a very special book because it will show you what's been holding you back and more importantly how to create what you want, all from a place of love and truth instead of fear and your ego.

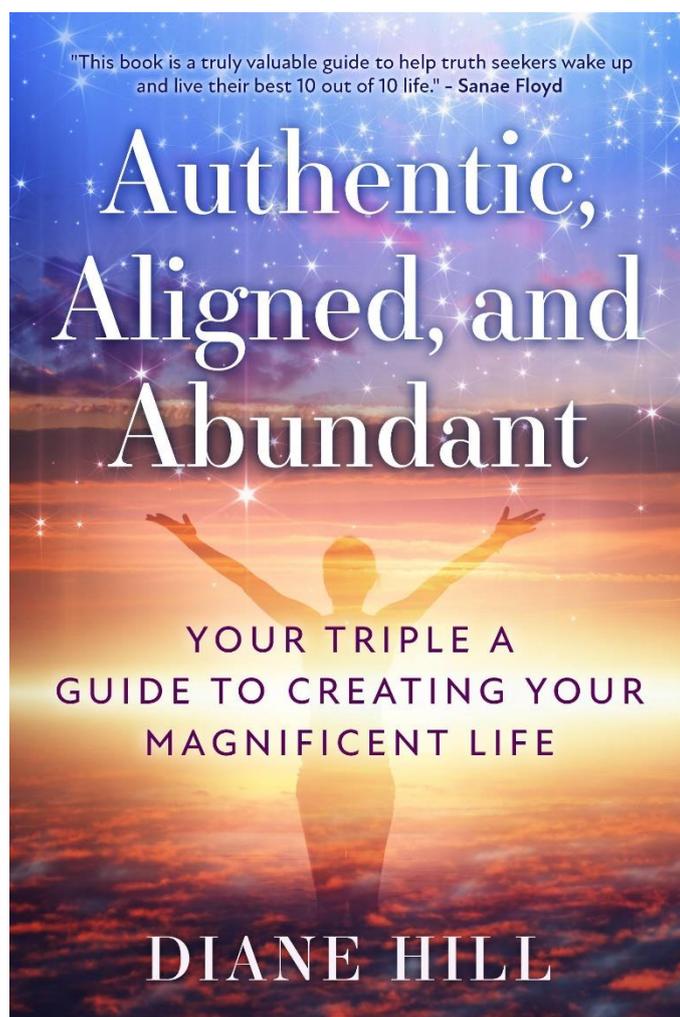

Luckily for you gorgeous readers of this advert, I **have physical copies of the book here in Cape Town so you can buy it here and don't have to pay for shipping or have to wait for it!**

Please visit my website - <https://dihillempowermentcoaching.com/product/authentic-aligned-and-abundant>

where you can purchase the book.

This book was written with such love and determination, why don't you gift another copy to someone you love?

With love and gratitude, Di xx
