

WELCOME TO TERM 4!

We wish all our learners a good term. Especially our Grade 7s for whom this will be the last primary school term. We kicked off with sport this week as well and have fixtures next week. We are also hosting our first gala next Friday with some stronger schools coming, so the term has started with a bang!

Grade 7 Class of 2019

We hosted our past students who are now in matric today in assembly. It is a special moment for us to see all our past pupils here for the occasion to reflect on their time here and how much they have grown and matured since. Thank you to Ms Carol van der Spuy for organising this.

You are valued!!**

CONGRATULATIONS

Noah Smith participated in his first South African National BMX Championship this past weekend and competed in the U11 age category and managed to place 12th in the country.

It was a gruelling 2 days of intense racing in wet and muddy conditions that made it even more challenging, all in all it was a great learning experience, and he had tons of fun with his friends racing in the muddy conditions.

Well, done Noah – Proudly CBPS!

NEW CLASS MUSIC TEACHER

We would like to welcome Mr Brandon Andrews to our school. He will be responsible for Class Music lessons in the prep and primary until the end of the year.
